What is CodeRED?

CodeRED® is an emergency notification system to help keep you and your family safe in the event of an emergency.

Alerts are sent by your local public safety agency by telephone, cell phone, SMS, email, social media and more.

If you are a resident of Westmoreland County visit the website listed below to register to receive emergency information. Residents and visitors can also download the CodeRED mobile app to receive alerts directly to your smartphone.

Register for CodeRED

Did you know it's free to register for CodeRED? It's an important yet easy step that helps ensure your family remains informed and prepared for any emergencies in your area. If your contact information is not in the database — or outdated — you will not receive alerts.

Follow these steps to register for CodeRED:

Visit the website:
https://www.co.westmoreland.pa.us/2749/CodeRED-Emergency-Notifications

From the main homepage, click on "REGISTER FOR THIS SERVICE"

Enter all required fields as indicated by the asterisks

Download the CodeRED mobile app on the App Store or Google Play

When will we notify you?

CodeRED will only be used for emergency situations to keep you informed. These are just a few examples of the types of alerts you might receive.

What you need to know

- Alerts are geographically based, and alert only residents in the affected area.
- You may select the types of alerts you wish to receive, from general (community information) to only emergency alerts.
- Alerts are issued by authorized local public safety officials.
- You must register with CodeRED by following the instructions in this flyer.
- CodeRED mobile is available for download from the App Store or Google Play.
- CodeRED mobile app users are encouraged to enable their GPS services to receive precisely targeted alerts for where they are located.

Download the app today!
CodeRED Emergency Notifications

CodeRED is a FREE emergency notification service provided to Westmoreland County residents to notify them of emergency information through:

- phone calls
- text messages
- emails
- social media
- CodeRED Mobile Alert App

REGISTER FOR THIS SERVICE to be informed of local events that may immediately impact safety!

During online registration, users can provide multiple addresses in Westmoreland County (such as home, work, or school) to receive targeted notifications directly impacting each location.

These notifications are not intended to replace critical time-sensitive information that is provided via the Emergency Alert System, which is broadcast via television and radio stations, along with NOAA Weather Radios.

The CodeRED mobile app, which delivers free emergency notifications to Westmoreland County residents, is also used by other communities throughout the United States and Canada for alerts. Travellers with the app can remain better informed and safe by receiving alerts from public safety officials who use CodeRED in those areas. Location services must be turned on mobile devices to receive CodeRED alerts during travel.

Download the CodeRED App from the App Store and Google Play at no charge.

New Program in Westmoreland County

Community Based Care Managers use a holistic, person-centered approach in assisting adults to live independently in the community with a healthy, recovery-focused lifestyle. Using the Social Determinants of Health model, goal-based service plans are developed to serve individuals with complex needs. Contact Pam Ackerman or Laura Willochell for info and referrals.
