

The Greensburg Foundation Fund – 2020 Program Guidelines

WHO WE ARE

The Community Foundation of Westmoreland County was founded in 1995 by local leaders of Westmoreland County to encourage philanthropy, to build a sense of place, and to embrace the spirit of community. Our mission is to encourage local residents to become philanthropists, provide grants that support a wide variety of charitable organizations and serve as a community leader. Having merged with The Pittsburgh Foundation in 2010, The Community Foundation of Westmoreland County continues to work with county residents to encourage that spirit of giving and investment in community organizations and residents.
